Green and Environment Friendly Policy

Objectives of the Policy

- To protect and conserve ecological systems and resources within the campus.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- To integrate environmental concerns into policies, plans and program for social development and outreach activities.
- To work with all stakeholders and the local community to raise awareness and seek the adoption of environmental good practices and the reduction of adverse effects on the environment.
- Programs/ Activities for inculcating strong sensitivity towards the environment must be arranged regularly for all stakeholders of the Institute.
- To continuously improve our contribution to climate protection and adaptation to climate change and to the conservation of global resources.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of the waste produced, recovering and recycling waste where possible.
- To make the campus plastic free.
- To conduct environmental and energy audits from time to time.
- To minimize the use of paper in administration through having policy for E-governance.

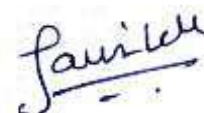

Scope of the Policy

The Green Campus, Energy and Environment Policies will develop exciting extracurricular and co-curricular practices that encourage students to take the lead in bringing positive change. These initiatives call for a thorough review of all the infrastructure, administrative functions from the standpoints of energy efficiency, sustainability and the environment.

The focus areas of this policy are:

- Awareness Initiatives
 - ✓ Clean Campus Initiatives
 - ✓ Landscaping Initiatives
 - ✓ Clean Air Initiatives: Smoking Free Campus
- Infrastructure
 - ✓ Installation of Energy Efficiency Equipment
 - ✓ Water Conservation through Rainwater Harvesting System
- Waste Management processes
 - ✓ Solid Waste Management
 - ✓ Liquid Waste Management
 - ✓ E-Waste Management
- Environment-centric Community Outreach and Department Activities
- Initiatives
 - ✓ Plastic Free Campus
- Audits
 - ✓ Green Audit
 - ✓ Energy Audit
 - ✓ Environment
